Community Forum: Who can afford Starwood's Port Chester??

Thurs., Nov. 17th, 7pm

@ Knights of Columbus (327 Westchester Ave)

Greenwich developer Starwood Capital now seems likely to sell off the United Hospital property for profit rather than actually build something there. But the company's plan to get big tax breaks and provide little public benefits is still shaping visions of development in Port Chester.

It doesn't have to be this way. We support development in OUR community that both provides housing and good jobs for Port Chester residents *and* is business-friendly. Join us for a forum on how we can ensure these things, and learn how YOU could benefit from a responsibly redeveloped United Hospital. Let's talk about a Port Chester we all can afford, not Starwood's Port Chester.
